Press Release

No. 6 / October 2026, Bangkok

THREE INTERNATIONAL EXHIBITIONS. ONE COMPLETE BUILT ENVIRONMENT PLATFORM

From Construction & Smart Buildings to Flooring, Interiors, Sun Shading and Automated Building Solutions — Discover It All in Bangkok.

Join us at FutureBuild Asia 2026, co-located with DOMOTEX Southeast Asia and R+T Southeast Asia, bringing together three complementary international exhibitions under one roof.

From construction materials and smart building technologies to flooring, interior solutions, sun shading, doors, gates and automated systems, this integrated platform connects the entire built environment value chain.

EXPLORE THREE EXHIBITIONS IN ONE VISIT

1. FUTUREBUILD ASIA 2026: *Shaping the Future of Construction in Asia*

A comprehensive platform showcasing the future of construction, infrastructure and building technologies.

- Construction Materials & Building Solutions
- Smart Buildings & Building Automation
- Green Buildings, Sustainability & Net Zero Technologies
